

WHY? DEP'T

If you received this newsletter it is for the following reasons:

- You pay your dues
- You subscribe
- You are on the Newsletter Exchange list
- You are a valued participant in our contests
- You are very important to us
- You do not pay dues but we sure would like you to
- We want you to join our club and have been carrying you our list for whatever reason; You fly and live in the region, you used to fly and need to keep your finger in the pie, etc.

In any event, you receive a copy a couple of times per year to let you know that there is a club that

supports your activity in the Rocky Mountain Area. Even if you live in New Mexico or Montana, this is it, unless of course you have formed your own club. We encourage you to join or at least subscribe to the newsletter to keep Free Flight in your brain.

SERMON ON THE AMOUNT DEP'T

If you think the dues or subscription structure is exorbitant, price a Bronco's ticket. I'm not trying to be cute here, just that the lion's share of the cost goes directly to providing a magnificent flying field. The newsletter cost is spread through direct cost of printing and postage and free exchanges. We keep our exchanges to a minimum and what I feel benefit our club the most. There are a few clubs I used to subscribe to on my own nickel to get a flavor of what they offer and I feel we are about right in the ones we exchange.
