

## Getting to the MMM Lowry Flying Field

- From the intersection of E-470 and Quincy Ave, go 6 miles east on Quincy to a “T” intersection with Co Rd 97 (Watkins Rd). Keep going 1.1 miles further east from this point.
- On your right (south side of road) are some mail boxes and a double-gated entrance to the flying field. (address 35000 E. Quincy Ave). If the gate is closed, there will be a chain keeping the two halves together but no lock. Any problems call Chuck at 720-201-6218.
- Go through the gate and close it behind you. All other closed gates, also close behind you.
- Drive along the paved road 2.1 miles (passing the cabins on your right) to a dirt turn-off on your right marked by a sign that says: “MMM Club.” Turn right and follow the dirt road west .9 miles to the high ground.
- Porta potty is on site but we have no other facilities. Pack it in, pack it out, including all trash.
